Il 6132 Grant of Rs 5/- lakhs to the Davangere City Municipality for cement-concreting roads in Davangere

Representation dated the 29th March 1948 made by the Davangere City Municipal Council to the Minister for Industries and Commerce on the above subject

The Davangere City Municipal Council request for a grant of Rs 5/- lakhs spread over five years at the rate of Rs 1 lakh per year for cement-concreting the roads in the Davangere City

No grants are permissible from the Town Improvement Grants for the City Municipalities and since Davangere has been converted into a City Municipality with effect from 1-1-48 it has to find its own funds for effecting improvements. If Govt grant has to be given has to be only as a special case. The number of miles of road to be cement-concreted & the estimated cost have not been furnished. The representation will, if approved be forwarded to the Chief Engineer for

Grant of Rs 5/- lakhs for roads in Davangere city

Roads + Buildings for Chairman

3) It is not clear whether the Municipality have got an estimate prepared of the cost of the work and what part of the expenditure they are prepared to shoulder from their funds. A

4) Cement Concreting appears to be out of the question now as cement supply is very inadequate and if roads at all the roads will have to be tarred

Sd/- (Secretary)

5) Information will be called for re 'A' above.

Subject I am directed to enquire whether any estimate has been got prepared of the cost of the work and what part of the expenditure the Municipality is prepared to bear from its funds and what assistance is required from Govt

I have &c

By order

for Secretary to Govt

To

The Revenue Dept

22/11/47

ML 788 Grant of loan and grant to the extent of Rs 20,59,000 by Govt to the Davangere City Municipality

Letter No HC 145/47-48 dated 20th June 1948 of the President, City Municipal Council, Davangere addressed to the Personal Assistant to the Minister for City Municipalities & Markets on the subject

1) Orders of the Minister on the above "Revenue Secretary for a note on all the points

2) Submitted

The President, Davangere City Municipal has provided for the works referred to in the above letter in the budget estimates for 48-49 sent up by him to Govt with his letter No 144/47-48 dated 19th May 1948 the explanatory memorandum flagged W+X gives details of these works under the head "Public Debt" in the budget

Grant of loan of Rs 20,59,000 to Darampeta
(grant to the extent of Rs 2,70,000 already sanctioned by Govt)

MC 7885

estimates for 48 49, it is proposed to obtain from Govt as loan a sum of Rs 14 lakhs & 32 thousands (and this amount is shown in the receipt side of the budget - P Note Reg I (reuse) and a sum of Rs 6,57,000 is shown under "Contributions from Government", making a total of Rs 20,89,000 as loan & grant)

3) The budget estimates of the Darampeta City Municipality have been submitted separately for orders

4) There is no resolution yet by the Municipal Council asking for the loan and stipulating the conditions under which the loan is to be taken and spend. Even in the resolution on the budget in the other file there is no separate mention of the loan, but the budget proposals are generally approved

Rc 256/48/37 Linked with a further note as per personal instructions of the Asst Secy & 26/6/48.

6) The works proposed in the budget which are referred to in the present letter are

Item No (1) Water supply Improvement Scheme Rs 5,58,923

(2) Underground Drainage scheme
- Work under P T Estimate Rs 150000
- for the 1st & 2nd Zones 3,00000
- Septic Tanks (Govt grant 1/2nd Cost) 32000
4,82,000 — 4,82,000

3) Schemes for forming cement concrete roads 1,25,000

Item No (4) Construction of Municipal Office Rs 1,00000

High School 1,00000

Vegetable Market- 1 10,000

(5) Forming Labour Colony (1 lakh from Govt as a grant & 1 lakh from Hills) 20000

(6) Acquisition of lands for city Extension & removal of Congestion 3,30,000

(7) Laying out new streets & improving old streets
Extension of sewer in Jogalpur Rs 7360
Construction of New drains 30000
37,360 37,360

(8) Repayment of loans

(9) Trust Board for the city – No proposals pending in the Secretariat 120884

Total Rs 20,64,167

7) Under Water supply, it is

(a) proposed to duplicate the pumping unit of Devangere Water Works at Harihar, as the present Electric motor of 116 HP which is working continuously may break down at any moments. Further the new R C C tank is reported to be at a higher level & therefore the motor power needs to be increased to pump water to the increased head. The cost of this work is Rs 65,000

(b) It is proposed to duplicate the rising main of 9" C I pipes line from Bathi Tank laid for a length of 2950 ft

and by this arrangement which
Cost about Rs 25,000, 1½ lakhs gallons
per day can be gained

8) The other Connected works are

(c) Connections to the settling tank
from the low lift well at
Davangere Water Works, Haveri 15000

(d) Laying out submain from
Ganesha circle to Kanaspatha old Hall 22,250

(e) Substitution of a 6" Submain in
Metcalfe Rd from Fazaleeva circle } 5-900
up to Agampur Letter factory,

(f) Substituting 3" submain
in Hosamane-Galli to 300 ft } 2280
(g) Laying 3" Submain in Rs 760
Bamboo bazaar 760
Westcombe Extn 760

(h) Laying out 1200 ft- relaying pipes 1,750

(i) Improving (A) & (E) Distribution
System of Water Supply } 29,000

(j) Improving C Distribution System 20,000

(k) Distribution System in
New Town, South of Railway line } 25,000

(l) Replacing the 8" Corroded Steel main
by 16" C I main partly Completed } 3,00000 (Key
scheme - 2 miles every year Plans in Detail to be prepared
(m) Providing purified water from Harihar 2500
(n) Miscellaneous items such as Cost of Pipes etc 23,180

Total Rs 5,58,923

9) Underground Drainage - This scheme at a cost of Rs 15000 in the south of T P J Extension is stated to be very necessary

Underground drainage for the I & II Lines Connecting the same to outfall - It is reported that the Council has committed itself to a sum of Rs 2 lakhs & already 7/8 of this sum is spent & the rest of the Construction needs to be finished by a further expenditure of Rs 3 lakhs

(Underground Drainage) Septic Tank - A sum of Rs 136000 has it is reported been spent on the work of Constructing an underground drainage system in this part and an estimate is also prepared for Rs 64000 for a Septic Tank The Council have deposited 1/2 the cost their quota & Govt has to deposit its quota of Rs 32000 If this work is not undertaken now alone, the amount of Rs 136000 spent would remain a dead capital & the inhabitants of the P J Extension would have to suffer insanitary Conditions The amount required for this is Rs 32000/-

(3) Cement & Concrete Roads - It is stated that Drainage duty is proving

an important day by day and
there are beautiful buildings on
either side of the roads It is proposed
by the Dist Bd to Cement Concrete the
roads A sum of Rs 5 lakhs was
asked for spread over 5 years at
Rs 1 lakh per year ~~Govt orders were~~ a letter
issued in WO Lr 1622/ Dis 143-47-2
dated 24th April 1948 enquiring
whether any estimate has been
prepared after cost of the work
and what part of the expenditure
the Mly is prepared to bear
from its funds & what assistance
is required from Govt

12) (4) Construction of Dist Office It
is reported that Rs 33000 has been
spent on foundation & it is proposed
to spend a lakh of rupees & complete
the work The Dist Office is now held
in a room of 9 ft by 9 ft There offices
both & Clerks work in the open
This work is stated to be urgent
& unavoidable

13) Construction of High School The School is being run in a rented house where staffing is great. The locality is unsanitary & accommodation unsuitable without a field for sports. A building is stated to be an absolute necessity.

14) Construction of Vegetable Market

There is no proper vegetable market in Devangere & both from the point of view of sanitation & convenience, a Vegetable Market is a necessity. Plans & estimates are stated to have been prepared and a sum of Rs 85000 has been ~~at a cost~~ provided in the budget. If the work is not continued, the amount already spent on advance would not be productive.

15) Forming labour colony

A proposal was received from

Davangere Mk Cl for a sanctioned
5 lakhs by Govt spread over 5 years
at 1 lakh a year to meet purpose
Orders were issues stating that
Concrete proposals with estimates
of cost and duly supported (2
by resolutions of the Mk Cl.
to be what part of the expenditure
can be borne by the Mkty &
What assistance is required by Govt
may be submitted to Govt
In the budget estimates for
1948-49, Rs 1 lakh is proposed
to be met by the Mkty &
Rs 1 lakh is proposed to be
obtained from Govt as
an outright grant. If any persons or bodies
acquire lands for forming other tanks etc and levies
16) (6) Acquisition cost and costs for
new excavation the city is
receiving fees by way of water
proposes to impose some more
by land around the new P.

7855/Pol and layout extensions in modern lines to necessary congestion in the City, otherwise the sanitary conditions would, it is stated deteriorate. This would cost Rs 1,20,000

(5) Laying out new drains & improving old ones

Extension of sewage drain near Tafelen Pond to prevent unsanitary conditions in Anchuna village is stated to be necessary already 3/4 of the work is completed Remaining work at a cost of Rs 7360 has to be carried out. New drains in the City are also stated to be necessary at a cost of Rs 30,000

(8) Repayment of loans A statement showing loans outstanding against this Ully has been attached to the Budget Estimates for 48-49. It is seen therefrom that in connection with Improvement of Water Supply Municipal has borrowed Rs 1,50,000 payable in 10 equated instalments & the balance outstanding is Rs 5-2212/-

(9) Formation of Trust Board for Drainage - No proposals are received relating to this

1750 28/6/48 Pages

20) From the Budget estimates of the Dawanagar city Mfy for 1948-49 it is seen that the normal receipts & normal expre are estimated at Rs 4,85,422 & Rs 4,45,917 respectively

21) But the Budget has been prepared on the basis of anticipations of getting grants & loans from the Govt and the total receipts including the above are estimated at Rs 81,31,105 including the opening balance while the estimated total expre is estimated at Rs 2,89,31,

22) The Mfty is unable to meet the expre on the several public works referred to in the above paras except either by means of a loan or by similar grants from the Govt According to the figures given in the Budget in respect of these works, the total expre is estimated at Rs 206,167 while in the Presidents D.O letter

dated 20 6 1948, the figures given are by 20 59 000 (Crores) but nobody knows how much as loan for the 4th [illegible] is required as a part

23) The M I cl are no doubt anxious to carry out several works of public utility - and they seem to find them to be urgent especially after the Rly was converted into a cut Rly, although these problems were there previously But they have not got the resources to finance them

24) The limit for consideration is whether we assume that the Govt go to their assistance in the shaping loans grants the M I cl would be in a position to undertake all these works during this year 1948-49 alone It would not certainly be possible for them to do so for reasons beyond their control - which are due to the difficulty in securing the [illegible] necessary material Hence the M I cl have to devise a programme of works

7885

of public utility spread over
period of at least five years
and work them out in the order
of urgency Prescribe by law & by-laws
acquisitions
such as formation of extensions so as
to provide housing facilities to all classes
of people which would foster them many
and function of Labour Colonies and
Creation of a respectable market which
would yield revenue
Even if a loan is given by the Govt
the M C C would have to pay interest
and this would be an additional burden on
its finances the M C C should therefore
increase its resources and take up
these works according to a prescribed
programme & not think of taking
them up all at once

The M C President has reported to have
entered into the matter for enhancing
commission for making a representation
in regard to the grant of loans & grants
from the Govt.
Suitable steps in view of the above
orders at present

Grant of a loan to the Davangere City Municipality by Government

Serial No

30) The GO sanctioning the budget estimates of the Davangere City Municipality is under issue separately. In these estimates, the loan asked for to the extent of Rs 14,32,000 has been ordered to be deleted and thus has been done therein. Besides a sum of Rs 6,57,000 was also shown as "Contribution from Govt" in the above budget and this has not also been accepted by Govt. Thus the Davangere City Municipality want a loan to the extent of Rs 20,89,000 in the aggregate for carrying out certain works as extracted in para 6 supra & it is for orders

Ref Rs 309-48

31) Pl put this up alongwith the GO sanctioning the Budget estimates of the City Municipality for the year 1948-49 with an extract of the orders of the Minister for Civil Supplies in that file. There is also another letter received in this subject from the Mayor, Davangere dated 1/10/48

1/10/48

WB 7/12

WD 02003—GIB—30 000—11 5-48

SUBJECT Request of the Davangere City Municipality for a loan of Rs 14,32,000/-

---

34) The Davangere City Municipal Council have passed a resolution at the special meeting held on 21-8-1948 requesting the Government for a loan of Rs 14,32,000/- for the execution of certain works which are said to be of a very urgent nature

The Municipal Council have proposed to repay the loan in 30 years by equated annual payments, carrying interest at 3 per cent per annum The repayment is proposed to be made from out of the receipts from Octroi

35) A copy of G O No L 3516-17/M1 39-48-5 dated 1-10-1948 sanctioning the budget of the Davangere City Municipality for 1948-49 is put up According to the sanctioned budget, the financial condition of the Municipality is as follows -

Opening balance	Rs 22,683/-
Receipts	" 9,20,422/-
Total	9,43,105/-
Expenditure	Rs.8,61,617/-
Closing balance	81,488/-

36) It will be seen from para 3 of the above Government Order under "F Public Debt" that this amount has been included in the budget, as though the grant of the loan by the Government was an accomplished fact But it was deleted and further proposals were called for in accordance with the Section 57 of the Mysore City Municipalities Act, 1933

37) The details of the works proposed to be taken up together with the estimated cost are as noted in the reference flagged "H"

38) It will be seen from the list that the first six items cost Rs 13,14,000/- The Municipal Council have assumed that the Government would contribute half the estimated cost thereof amounting to Rs 6,25,000/- excluding Rs 32,000/- paid by

it towards the septic tank But the Government need not meet half the cost on account of the items 3 & 4 In regard to item No 5 payment, the amount if any has to come from out of the funds of the Education Department

39) In regard to the other items 7 and to 26 in the list, the Municipal Council want to take a loan and complete them

40) Owing to the scarcity of labour and of short supply of materials such as cement, iron and steel pipes, it will not be possible for the Municipality to carry out these works within a year, and the works will have to be spread over for a period of two or three years at least, if not more

41) In order the order of importance, the following works relating to drainage and water supply require to be given priority over other works

Next in importance might come those which would yield revenue to the Municipality such as Vegetable market, Busstand, Formation and layout of sites

42) Others relating to amenities may come last

Placing the works in the above category, and the following are the urgent works to be attended to:-

(1) Drainage and water supply Vide Serial numbers in the list 1,2,6,11,12,13,19,20,21,22, 23,24, 25

(2) Revenue deriving works Vide Serial numbers in the list 7,10,15

(3) Amenities - 3,4,5,8,14,17,18,26

43) The following grants were given to this Municipality during the last year (1947-48) out of the Town Improvement Grants and water supply grants -

Town Improvement grants

1) For underground drainage in Sri Jayachamarajendra Extension Rs 29,313 ~~6,564~~/-

2) Construction of the Ayurvedic dispensary Rs 8,700/

44) This year a sum of Rs 15,000 has been provided under Public Improvements in the State Budget for 1948-49 as in the case of Bangalore

45) By spreading the works over 2 or 3 years it will be easy for the Municipal Council to carry ~~out~~ them out If this is done, it will not be necessary for the Municipal Council to take such a heavy loan also from the Government The loan will carry interest as in the case of other local bodies at 4 per cent per annum

46) The Municipal Council may perhaps be asked to state whether they are agreeable to do so

47) This is the first year after the Municipal Council was converted into a City Municipality The Municipal Council finds it difficult to meet the expenditure on the expanding activities and the needs of a growing town and the demands of the citizens, From the health point of view, works relating to drainage and water supply are the most important Half the estimated cost of drainage works and to water supply improvement work may be generally paid by the Government, as has been done in the case of Bangalore and Mysore City Municipalities This can be considered however when the plans and estimates for each work comes up to Government for sanction In order to meet the other half being the municipal share of the estimated cost, the loan may be giv to the Municipality

48) Taking all the factors into consideration it is for orders of the Municipal Council may not be asked to ~~take~~ state whether it would not be sufficient for them to take a loan of about seven lakhs of rupees for the present repayable in 15 or 20 years with interest at 4% per annum ~~interest~~ On receip of their reply, the question can be considered in all its aspects and orders passed

COUNCIL NOTE

SUBJECT Grant of a loan of Rs 7 lakhs to the Davangere City Municipality

---

The Davangere City Municipal Council have passed a resolution at their special meeting held on 21-8-1948 requesting the Government for a loan of Rs 14,32,000/- towards the execution of certain works of an urgent nature, the more important of which are noted in the margin After an examination of the question in detail, it was pointed out to the Municipal Council that in the present conditions of scarcity and higher cost of materials and non-availability of labour it would be obviously impossible to undertake and execute all the improvement works ever in the course of two or three years, though both loans and grants therefor are sanctioned It was therefore suggested to the Municipal Council that the more important works such as drainage and water supply, which require priority over other works in the interests of health and sanitation of the inhabitants of the town, may be taken up in the first instance and that other works of lesser importance may be taken up later on, as conditions become easier and Municipal finances also improve, and the Municipal Council was requested to state whether a loan of Rs 7 lakhs would not be sufficient for the present, the loan being repayable in 15 or 20 years with interest at 4% per annum

	Rs
1 Construction of underground drainage in the P J Extension and old town	4,50,000
2 Replacing the corraded 8" steel main by 15" C I Main	3,00,000
3 Providing dwelling quarters for the poor and labour classes of people	2,00,000
4 Formation of concrete roads	2,00,000
5 Construction of Municipal High Schools	1,00,000
6 Construction of Vegetable Market	1,10,000
7 Construction of Municipal Office building	1,00,000
8 Improvement of water supply distribution system	81,000

On this enquiry the Davangere City Municipal Council have at their meeting held on 1-1-1949 resolved that in case it is not possible to increase the loan amount, the loan of Rs 7 lakhs may be sanctioned and have requested the Government at the same time, to reduce the rate of interest to 3½% or 3% per annum The Municipality

propose to pay back the loan in twenty ~~years~~ instalments with equated annual ~~payments~~, out of the octroi revenue earmarked for the purpose

The Financial Secretary who was consulted in the matter has stated that there is no money to lend at 3½%, that anything less than 4% will mean a subvention to the Municipality, that even at 4%, it may not be possible to lend unless more securities, which are kept to meet the deficit and the capital programme are sold, and that therefore the proposal may be considered when the financial condition of the Government is happier

When the file was submitted to the Minister for City Municipalities and Muzrai, he has minuted as follows

"Since the amount is required for urgent and important improvements particularly of water supply and drainage, the loan is to be sanctioned, as regards rate of interest, it may be fixed at 3½% In case other Municipalities are charged at 4%, this also may be charged accordingly ~~, This being a such scheduled matter this may kindly be included in the agenda and taken up as early as possible~~ "

The question having been ordered by the Dewan to be considered at a meeting of the Council, this note is circulated to the Ministers

The point for orders is sanctioning a loan of Rupees seven lakhs to the Davangere City Municipality repayable in 20 annual instalments and bearing interest at 3½% or 4%

COUNCIL NOTE

Subject: Grant of a loan of Rs.7 lakhs to the Davangere City Municipality.

The Davangere City Municipal Council have passed a resolution at their special meeting held on 21-8-48 requesting the Government for a loan of Rs.14,32,000/- towards the execution of certain works of urgent nature, the more important of which are noted in the margin. After an examination of the question in detail, it was pointed out to the Municipal Council that, in the present conditions of scarcity and higher cost of materials and non-availability of labour, it would be obviously impossible to undertake and execute all the improvement works, even in the course of two or three years, though both loans and grants therefor are sanctioned. It was therefore suggested to the Municipal Council that the more important works such as drainage and water supply, which require priority over other works in the interests of health and sanitation of the inhabitants of the town, may be taken up in the first instance and that other works of lesser importance may be taken up later on, as conditions become easier and Municipal finances also improve, and the Municipal Council was requested to state whether a loan of Rs.7 lakhs would not be sufficient for the present, the loan being repayable in 15 or 20 years with interest at 4% per annum.

Construction of underground drainage in the P.J.Extension and old town.	Rs 45 0000
Replacing the corroded 8" steel main by 15" C.I. main	300,000
Providing dwelling quarters for the poor and labour classes of people.	2,00,000
Formation of concrete Roads	2,00,000
Construction of Municipal High School.	1,00,000
Construction of vegetable market.	1,10,000
Construction of Municipal office Building.	1,00,000
Improvement of water supply distribution system.	81,000

On this enquiry the Davangere City Municipal Council have, at their meeting held on 1-1-49, resolved that, in case it is not possible to increase the loan amount, a loan of Rs.7 lakhs may be sanctioned and have requested the Government at the same time, to reduce the rate of interest to 3½% or 3% per annum. Municipality propose to pay back the loan in two equated annual instalments out of the octroi fund earmarked for the purpose.

The Financial Secretary, who was consulted in the matter, has stated that there is no money to lend at 3½%, that anything less than 4% will mean grant of a subvention to the Municipality, that even at 4%, it may not be possible to lend unless more securities, which are kept to meet the deficit and the capital programme are sold, and that therefore the proposal may be considered when the financial condition of Government is happier.

When the file was submitted to the Minister for City Municipalities and Hazrat, he has minuted as follows:-

"Since the amount is required for urgent and important improvements particularly of water supply and drainage, the loan is to be sanctioned, as regards rate of interest, it may be fixed at 4%. In case other municipalities are charged 4%, this also may be charged accordingly.....

The question having been ordered by the Lower to be considered at a meeting of the Council, this note is circulated to the Ministers.

The point for orders is sanctioning a loan of Rupees seven lakhs to the Davangere City Municipality repayable in 30 annual instalments and bearing interest at 3½% or 4%.

General Secretary to Government.

DRAFT FINAL NOTE

Subject Grant of a loan of seven lakhs of rupees to the Davangere City Municipality

---

The Davangere City Municipal Council passed a resolution at their special meeting held on 21-8-48 requesting the Government for a loan of Rs 14,32,000/- towards the execution of certain works of an urgent nature, the more important of which are as noted below -

		Rs
1	Construction of underground drainage ~~with~~ in P J Extension and old town	4,50,000
2	Replacing the corroded 8" steel main by 15" C I Main	3,00,000
3	Providing dwelling quarters for the poor people and the labour classes	2,00,000
4	Formation of concrete roads	2,00,000
5	Construction of Municipal High School building	1,00,000
6	Construction of vegetable market	1,00,000
7	Construction of a Municipal office Building	1,00,000
8	Improvement of water supply distribution system	81,000

After a detailed examination of the question , it was pointed out to the Municipal Council that, in the present conditions of scarcity and higher cost of materials and non-availability of labour, it would obviously be impossible to undertake and execute all the improvements works even in the course of two or three years, though both loans and grants therefor were sanctioned It was therefore suggested to the Municipal Council that the more important works such as drainage and water supply, which require priority over other works in the interests of health and

and sanitation of the inhabitants of the town, may be taken up in the first instance and that other works of lesser importance may be taken up later on, as conditions become easier and the Municipal finances also improve The Municipal Council was therefore requested to state whether a loan of Rs 7 lakhs would not be sufficient for the present, the loan being repayable in 15 or 20 years with interest at 4% per annum

On this enquiry, the Davangere City Municipal Council have, at their meeting held on 1-1-49, resolved that, in case it is not possible to increase the loan amount, a loan of Rs 7 lakhs may be sanctioned and have accordingly requested the Government at the same time, to reduce the rate of ~~xxx~~ interest to 3½% or 3% per annum The Municipality propose to pay back the loan in twenty equated annual instalments out of the octroi revenue earmarked for the purpose

Financial Secretary, who was consulted in the matter, has stated that there is no money to lend at 3½%, that anything less than 4% will mean grant of a subvention to the Municipality, that even at 4%, it may not be possible to lend unless more securities, which are retained to meet the deficit and the capital programme ~~are~~ are sold, and that therefore the proposal may be considered when the financial condition of the Government is happier

When the file was submitted to me, I minuted as follows

"Since the amount is required for urgent and and important improvements particularly of water supply and drainage, the loan is to be sanctioned

As regards rate of interest, it ma be fixed at 3½% In case other Municipalities are charged at 4%, this also may be charged accordingly "

The question was considered at a meeting of the Council held on the 6th April 1949 and the following opinion was recorde

"The loan may be granted at 4% interest, the amount to be given in instalments depending on the progress of the works "

I solicit the gracious approval of His Highness to the above resolution of the Council

MINISTER FOR CITY MUNICIPALITIES AND RURAL

12/6/49

Final note by the Minister for City Municipalities & Muzrae

Subject - Grant of a loan of seven lakhs of rupees to the Davanagere City Municipality

****

The Davanagere City Municipal Council passed a resolution at their special meeting held on 21st August 1948 requesting the Government for a loan of Rs.14,32,000/- towards the execution of certain works of an urgent nature, the more important of which are as noted below -

1)	Construction of underground drainage in the P J Extension and old town	R 4,50,000
2)	Replacing the corroded 8" steel main by 15" C I Main	3,00,000
3)	Providing dwelling quarters for the poor people and the labour classes	2,00,000
4)	Formation of concrete roads	2,00,000
5)	Construction of Municipal High School Building	1,00,000
6)	Construction of vegetable market	1,10,000
7)	Construction of a Municipal Office Building	1,00,000
8)	Improvement of water supply distribution system	81,000

After a detailed examination of the question, it was pointed out to the Municipal Council that, in the present conditions of scarcity and higher cost of materials and non-availability of labour, it would obviously be impossible to undertake and execute all the improvement works even in the course of two or three years, though both loans and grants therefor were sanctioned It was therefore suggested to the Municipal Council that the more important works such as drainage and water supply, which require priority over other works in the interests of health and sanitation of the inhabitants of the City, may be taken up in the first instance and that other works of lesser importance may be taken up later on, as conditions become easier and the Municipal finances also improve The Municipal Council was therefore requested to state whether a loan of Rs.7 lakhs would not be sufficient for the present, the loan being repayable in 15 or 20 years with interest at four per cent per annum

On this enquiry, the Davanagere City Municipal Council have, at their meeting held on 1st January 1949, resolved that, in case it is not possible to increase the loan amount, a loan of rupees seven lakhs may be sanctioned and have accordingly requested the Government at the same time, to reduce the rate of interest to 3½% or 3% per annum The Municipal Council propose to pay back the loan in twenty equated annual instalments out of the octroi revenue earmarked for the purpose

The Financial Secretary, who was consulted in the matter, has stated that there is no money to lend at 3½%, that anything less than 4% will mean grant of a subvention to the Municipality, that even @ 4%, it may not be possible to lend unless more securities, which are retained to meet the deficit and the capital programme are sold, and that therefore the proposal may be considered when the financial condition of the Government is happier

Re -Negotiating a loan and grant from the Government

Dear Sir,

I am in receipt of your letter No P 497 dated 18th June 1948

I am sorry that the Honourable Minister has not found time to grant us an interview in view of the proceedings of the Legislative Council As was mentioned in this office letter No H C 145/47-8 dated 16th June 1948 a deputation will wait upon the Honourable Minister to negotiate a loan and grant of 20,00,000/- for the necessary works of Davangere City whose financial condition obviously does not permit the undertaking of those very essential works without adequate funds A copy of the budget has been sent to your office on 26/29-5-1948 vide No 144/47-48 Our representation will be mainly over certain essential and urgent matters The public and the Council are complaining over these works They are held up only for want of adequate funds

Attended to for 21/6/48

Phoned on 24-6-48 No 11 7362

To give only a few details for information of the humble Minister, I wish to report that the following works need our urgent attention

1. Water supply improvement scheme
2 Underground drainage scheme
3 Schemes of forming Cement and Concrete Roads
4 Construction of Municipal Office, Municipal High School and Vegitable Market
5 Forming labour colony
6 Acquisition of lands for City extension for removal of congestion
7 Laying out new drains and improving old drains etc,e
8 Repayment of loans
9 Trust Board for the City etc

I have the honour to be,
Sir,
Your most obedient servant,

K J Jambanna

Subject -Regarding raising a loan of Rs 14,32,000/- from Government of Mysore

---

Sir,

With reference to para 3 of your letter No 1628/Ml 39-48-3 dated 16-8-1948, on the above subject I have the honour to state that this subject was placed before the Special meeting of the Municipal Council held on 21-8-1948 when it was resolved that the Government be requested to sanction a loan of Rs 14,32,000/- for the execution of the works embodied in the resolution which are of very urgent nature

Further it has been resolved that the above loan may be raised from the Government of Mysore at the rate of 3 per cent per annum, to be repaid within thirty years by equated annual payments before the 30th June out of the receipts from Octroi duty earmarked for the purpose and that necessary provision be made in the budget, Copies of the resolutions are herein enclosed for kind perusal

The works embodied in the resolution are of urgent nature and will have to be executed immediately I request you kindly to obtain sanction of Government to the resolution of the Municipal Council

I have the honour to be,
Sir,
Your most obedient servant

Municipal Commissioner,
Davangere City Municipality

Forwarded with compliments

FROM

The Secretary to the Governm nt of His Highness the Maharaja of Mysore
General Department

To

The Municipal Commissioner,
Davangere City Municipality,
(Through the President)

Sir,

With reference to the correspondence ending with your letter No H C 17/48-49 dated 25th August 1948 requesting for a loan of Rs 14,32,000 for taking up several works of an urgent nature, I am directed to state that in the present conditions of scarcity of materials and non-availability of labour it would be obviously impossible to undertake and execute all the improvement works ~~xxmarked~~ loan enumerated in the course of two or three years though both loans and grants are sanctioned to the Municipality I am to suggest that the more important works such as drainage and water supply, which require priority over other works in the interests of health and sanitation of the inhabitants, may be taken up in the first instance and that the other works of lesser importance may be taken up later on Conditions may become easier and the Municipal finances may also improve in the meanwhile I am to enquire in this view whether a loan of about Rupees seven lakhs would not be sufficient for the present, the loan being repayable in 15 or 20 years with interest at 4% per annum ~~Thew~~ If the Municipal Council are agreeable to the above suggestions a resolution of the Municipal Council in this behalf may be obtained and forwarded for the orders of Government Action may also be taken to expedite the preparation of plans and estimates for drainage and water supply works in the meanwhile

Yours faithfully,

DAVANGERE CITY MUNICIPALITY

1 Duplicating the Rising Main behind Dodda Bathi Tank

Two rising mains are at present running from Harihar to Davangere, one of Steel pipes of 8" dia laid out in the year 1916 and the other of cast Iron pipes of 8" - 9" dia laid out in the year 1937 The life of Steel pipe main is almost come to an end and there will be one leak or other every day causing great trouble This line is cut off to a length of 2,900 ft and water flowing from two lines is made to rush in one line behind Doddabathi Tank for this length and once again allowed to flow in two lines This is most unhealthy and as a first instalment of completely removing the steel pipeline from Harihar to Davangere and laying a rising main of cast Iron pipes of 15" dia it is proposed that at least for this length of 2,900 ft a line of 15" dia may be laid out immediately An estimate for Rs 33,600/- prepared by the Sanitary Bureau for this work, duly countersigned by the Municipal Council is before the Chief Engineer awaiting sanction In the meanwhile the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore is urging this office to place the x estimated amount at his disposal to enable him to take necessary further action to get the work completed before the ensuing summer in view of the fact that the work is extremely urgent

2 Construction of Superstructure of Municipal Office building

The City Municipal Council is ~~xx~~ experiencing great difficulty to accommodate the newly increased establishment There is no safe place to keep the records and account books Under the circumstances the council have thought fit to construct a proper building for the office An estimate for Rs 59,000/- was got sanctioned by Government in their order No L 945-8/M 172-43-6/ R dated 29-7-'44 for the construction of the municipal office A sum of Rs 33,000/- has already been spent towards laying the foundation A revised estimate for Rs 1,60,000/- has since been submitted to Government for sanction with this office letter No H C 55/48-49 dated 19-12-'48 for the reasons quoted in the report accompanying the estimate and this work cannot be postponed any longer

3 Construction of Superstructure of Vegetable Market Build

There is no proper vegetable market building in this City Both from the point of view of sanitation and convenience to the consumers of the food stuffs, the construction of vegetable market building was found to be necessary long back by the council An estimate for Rs 1,10,000/- was got sanctioned by Government in their order No L 178-9/L1 30-46-89 dated 3-7-'47 for the construction of 121 stalls as per approved design received from the Government Architect Tenders were called for the basement work for taking up 56 stalls in the rear and this work is nearing completion Tenders have been called for constructing the superstructure This work cannot be postponed any longer and has to be executed immediately

4 Construction of Superstructure of Sri Iyanahalli Sharanappa's Ayurvedic Dispensary

An estimate for Rs 16,700/- was sanctioned by Government in their order No L 14508-11/L1 146-47-2 dated 12-3-'48 This work was taken up by calling tenders and a total outlay of Rs 2,970 has so far been incurred and the work has progressed up to the basement level A revised estimate for the construction of the entire building including the estimate for construction of residential quarters at an estimated cost of Rs 5,000/- amounts to Rs 23,903/- has been submitted to Government with this office No H C 27/48-49 dated 16-9-'48 This work has to be carried out immediately

5 Purchase of Steam Road Roller

A steam Road Roller for formation of new Roads and for repairs of old Roads is very essential Quotations have been called for and the cost of the same comes to Rs 15,000/-

6 Purchase of Electric Motor to Davangere water works at Harihar

An estimate for Rs 15,000/- has been submitted to Govt with this office No H C 54 dated 19-12-'48 as per suggessions of the Sanitary Engineer The installing of an additional motor is most essential and this has to be done immediately to ensure water supply in the city

7 Balance of Amount of contribution to be paid for the construction of R C C Tank

A sum of Rs 27,062/- has to be paid from the Municipality at half the estimated cost The Sanitary Engineer is pressing for the pay ent of the amount This amount has to be paid immediately

8 Balance amount to be paid for underground drainage scheme

A sum of Rs 6,585/- has to be paid towards the above work This has to be paid immediately as there are constant reminders

9 Repayment of existing loan of Rs 55,789/-

This amount is outstanding payment on account of slender resources of the municipality This will have to be paid only after ~~xxx~~ getting the loan

10 II nd Stage of under-Ground Drainage Scheme

The survey work is completed and the estimate is under preparation by the Sanitary Engineering Department It is roughly estimated to be about 8,00,000/- of which the municipal Quota to be incurred will be Rs 4,00,000/- This is a very important work and cannot be postponed since this is a growing city
